Risks Assessment

Likelihood	Severity	Risk Value
Score =	Score =	Result =

Each individual client site may have additional hazards, over and above the hazards identified in this Safety Statement.

It is the responsibility of the person(s) in charge of the premises (or someone that they appoint) to provide information about all specific hazards on the premises, and the steps that must be taken to deal with these hazards.

For this reason it is essential to find out who is responsible for health and safety on the premises and contact them so that they can provide the required information.

Typical safety-related information could include:

- Any specific safety arrangements for those working on the premises;
- Location of toilets, washing facilities, eating (canteen) facilities;
- Fire and other emergency arrangements;
- Client contacts (e.g. safety personnel, first aid personnel, etc.)
- Personal Protective Equipment (PPE) requirements
- On receipt of this information, and/or based on an inspection of the site, the Manager 1 will:
 - Identify any additional safety measures that are required;
 - Communicate these measures to all appropriate staff;
 - Ensure that any required additional information, training, personal protective equipment, etc. are provided.
